VICTORY

FATBIKE
FATBIKE FOLDING

Powerful, imposing, and ready for any terrain, our fatbikes and folding fatbikes are designed for those who want more than just a conventional bicycle. With their wide tires, they easily handle sand, snow, dirt, or asphalt; offering a stable, comfortable ride full of character.

And if you need practicality without giving up adventure, our folding versions let you take all that power wherever you go, while taking up minimal space. Whether you're riding through the city, exploring trails, or standing out in style, you'll find your ideal companion here.

COMMANDO

Strong, imposing, and ready for anything, **COMMANDO** is a fatbike with an aggressive spirit and rugged design made for those who seek presence, stability, and style. Its elongated saddle adds a distinctive look and greater rider comfort, allowing for position adjustments based on terrain and riding style.

Thanks to its extra-wide tires and solid construction, **COMMANDO** delivers a firm and stable experience on all types of surfaces, from loose dirt to urban asphalt. Designed for solo use, this bike stands out not just for its looks, but also for its performance.

COMMANDO
